Petition to Save the Vital 202 Bus Service

Frequent users of the vital 202 bus service have been diamayed at news that Diamond are set to scrap the service. The existing bus route between Bromsgrove and Halesowen that connects the town centre with residents in Lickey End, Lickey and Cofton Hackett and takes students to Waseley Hills High School is to be replaced by an inadequate 44 service.

The new replacement service will no longer serve residents in parts of Rubery and Lickey. Bromsgrove's Lib Dem group have launched this petition to save our vital 202 bus service
